Are you
refining your
medicine?

Ah.

LONG HANGA!

Elder brother
Juk-chung

I just happened
to come across a
really good herb,

so I
wanted to
refine it.

...

As
expected...

You seem
more talented
in this field
than in your
techniques.

DOPE MANGA!

Ah...

I'm
sorry.

I know
I should not
neglect my
training...

Ah, don't
worry.

I didn't mean
it that way, so
please don't
misunderstand
me.

Actually, I think
that you're better
than the other
brothers in this
kind of nature.

So you can
take pride in that
look of yours.

Haha...

You're
embarrassing
me...

Mmm...

I'm
embarrassed,
despite having
said it myself.

That
aside...

I don't think
I've ever seen
this medicine
before...

Ah.

This is called
Folding Alcohol
Grass.

It's very good
to use as an instant
antidote against
poison.

A good
example
would be

If someone
mixes poison into your
food, they would probably
use an odorless, tasteless
poison, right?

But that kind
of poison usually
takes time to fully
circulate throughout
your body, so you'll
have plenty of time
to neutralize it.

Heo-

When that
happens, there's
no better medicine
than this Folding
Alcohol Grass.

LONG MANGA!

The foolish ones...

were us...?

I don't know
when that might
happen to us,

so I want to
dry and refine
it as fast as
possible.

Huff...

Huff...

부러져

Within the
medicine that
he dropped...

the Folding
Alcohol
Grass...

LONG MANGA!

is there!!

Chapter 28
Snow White - II

That
aside...

for there to be an
antidote among the
youngest brother's
medicines...

We must be
blessed by the
Heavens.

Juk-chung
did very well
remembering that
this medicine had
such an effect
as well...

Ah...

That's
not it...

If we
didn't have
the youngest
brother...

If we
didn't have
Huh-riem...

This wouldn't
have been
possible to
begin with...

All I did was
sould him time
after time...!

When I was
the worthless
one...

Youngest
brother...

—

Don't blame
yourself too
much, Brother

As you've
said, our lives are
in fact thanks to
our youngest
brother

For him,
we must
live on.

So...

Oh...?

LONG MANGA

SHIN
SHIN
SHIN

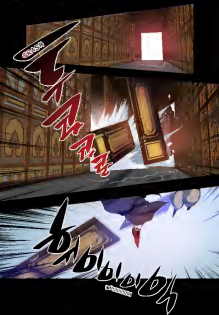

I didn't
expect to see
you all alive...

I wonder what
happened?

You bastard...

You
bastard...

You think
you'll get
away...

after using
those cheap
methods on
us??

What do
you mean "get
away"?

Sorry, but
I don't think it is
something you
should be saying

What...??

COME MANGA!

Have you
not realized
yet?

I have lead
you here...

on
purpose.

Now...

The only exit:

is behind me.

However,
none of you will
be leaving this
place alive.

I don't
know how you
recovered from
the poison,

but all you
have done is
delay your death
just a little bit
longer.

...

It won't
change the end
outcome.

...

You
bastard...!

SHIT
SHIT
SHIT

Are
you...

making
fun of
us?!

LONE MANGA!

spin

E-Even if
we are not
completely
healed...?!

Now~
Now~

I think I'll
be quite honest
with you...

in the first
place.

we never
expected you to
be able to take
down the Witch of
the Mysterious
Shifting Forest.

We knew
that all seven
of you would not
be enough to
deal with her.

We just hoped
that you would
inflict enough
damage on her.

Once that
was done, I was
planning to go
there myself to
finish her off.

But
somehow,

LONG HAI

you guys took
her down

and brought
the Crimson
White Flower
to us.

And all
you did...

was lose the
most worthless
member of your
team...

Shut...

your mouth
right now!!

!pyung!

You can't!!

Now really...

You don't know how to read the mood, do you...

LONE MANGA!

Even I had a hard time dealing with the witch, so we just used you.

But she's not only the witch that you should worry about.

Even if you
all came at me
simultaneously,

you can't
hurt me.

Don't you
understand
that yet?

Ji-pyung!

It would've been better if you died from the poison in the food...

I really have
to pity you.

Kugh...!

LONE MANGA!

because
you'll meet a
much more
painful end.

the hell
...P!!
